Additional Truth in Savings Disclosures:

Variable Rate Accounts - The Annual Percentage Yield may change on any account listed as a variable rate account. Accounts indicated as dividend bearing accounts are set by the Board of Directors at the end of each quarter for the previous quarter.

Transaction limitations - During any statement period, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of pre-authorized or automatic transfer or telephonic order or instruction.

Additional info for check cashing fees. To avoid check cashing fees, you must either have a Savings account balance of \$200 or more for the past 30 days, have an active Checking Account, or a current up-to-date loan.

IRA Certificates - IRA CD's are available with the same rates and terms as our regular CD's. All IRA regulations apply to these accounts.

Additional limitations for IRA Accounts - Federal laws governs the amount that may be deposited into IRA accounts as well as the penalties for withdrawals. Please consult your tax advisor for advice and information.

Early Withdrawal Penalty - if you make a withdrawal from your Certificate of Deposit before the maturity date, we may charge a penalty equal to 180 days of interest, earned or not.
