Additional Truth in Savings Disclosures:

Variable Rate Accounts - The Annual Percentage Yield may change on any account listed as a variable rate account. Accounts indicated as dividend bearing accounts are set by the Board of Directors at the end of each quarter for the previous quarter.

Transaction limitations - During any statement period, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of pre-authorized or automatic transfer or telephonic order or instruction.

Additional info for check cashing fees. To avoid check cashing fees, you must either have a Savings account balance of \$200 or more for the past 30 days, have an active Checking Account, or a current up-to-date loan.

IRA Certificates - IRA CD's are available with the same rates and terms as our regular CD's. All IRA regulations apply to these accounts.

Additional limitations for IRA Accounts - Federal laws governs the amount that may be deposited into IRA accounts as well as the penalties for withdrawals. Please consult your tax advisor for advice and information.
