

DORMANT ACCOUNT NOTICE

It is the policy of Members First Credit Union to review and update our account records periodically. Our records show that we are holding unclaimed funds that may belong to members named below. When an account has no activity for three years, and contact has not been made with the member within past year, it is considered to be a dormant account. These accounts have attained dormancy status. Under Texas state law, we are required to deliver these funds to the Texas Comptroller of Public Accounts, on or before July 1, 2022 if the funds are not claimed. If your name or the name of someone you know is listed below, please contact the Member Service Dept. by June 10, 2022 at (361) 991-6178 or 1-800-242-3037 to prevent remittance of your account to the state.
