## HELPFUL INFORMATION

### Fraud Prevention Services

In our continuing efforts to keep your accounts secure, we've improved our alert system for potential fraud. Here's how it works:

1. When potential fraud is detected, you will receive an automatic e-mail notification, with the option to reply with "fraud" or "no fraud".
2. One minute after the e-mail, you will receive a text alert to your phone, which also has the "fraud" or "no fraud" option.
3. If there is no response received, you will then receive automatic phone calls to confirm or deny fraud.

Remember - Our messages will never ask you for your PIN number, account number, or a full Social Security Number! Please add our fraud center phone number to your phone contacts 1-800-417-4592. That way you know it is a valid message from Members First.
