# Opt In Your Debit / Check Card

For unexpected expenses

Opt-In is a service we offer to qualified members that have a Checking account with a Visa Check/Debit Card. When you Opt-In, we will cover purchases made with your Check/Debit Card when you don't have the available funds in your Checking account. There is no charge to have Opt-In unless you use it! If you do happen to use it, we will charge a \$25 fee for each purchase made with your Check card when you don't have the funds available in your Checking account. Opt-In can help you in emergency situations and it's a very beneficial service we offer if used responsibly.
