### Kids Klub Corner

It's important to teach our children about money, accounts, and finances early in life to give them a head start. Members First offers a fun way for children to learn about money in a safe environment. Under the resources tab on our home page, click on the Kids Klub Corner. Once there, click on the green "[Click here](#)" button. They will learn about banking, the history of money, fun facts, and tons of games and riddles from Dollar the Dragon. You can also [Click Here](#) to take you straight to the Kids Klub Corner.

## DIRECT DEPOSIT

GET YOUR DIRECT DEPOSIT UP TO 2 DAYS EARLY!

There are so many benefits when you have Direct Deposit. The number one benefit, Convenience. There's also no waiting in line, and no fees for cashing your check. When you sign up for Direct Deposit, you could get paid up to 2 days early, and if you've never had a Direct Deposit before, we'll deposit \$25 into your account for your very first one!

\*Because not all Direct Deposits come from the same companies or at the same times, not everyone's Direct Deposits will post to their account early. All early Direct Deposits are dependent on the paying company and when they send us the file of payment. If the payment file is sent on the same day of the scheduled credit or one (1) day before the scheduled credit, it will post to the account the day it is received (up to 2 days). To avoid any overdraft fees, always verify your available balance before processing any transactions on your account. Contact a Financial Service Rep for more details @ 361-991-6178 Opt. 2.
